

A NEW START FOR THE GOOD SHIP "DOMINION."

LONG LIVE THE Salvation Army

A WONDERFUL WEEK.

The Creat Councils in Toronto!

The Fire Has Caught On, and is Spreading Fast I

Salvationists, or, at any rate, Salvation Army officers, are the best educated pro-ple in the world. This, though it seem a ridde, is very really a cober dataeman of fact. Salvation Army Officers, of of sngels and men. Wa have not travelled all people, are taught not to learn the source of wisdom and high scaffolding of human language, commonly called parts of speech : grammar, syntax, parsing, paraphrase, analysis. All this can self, with complacent indifference and nersing, parapurate, and the learner be ignorant coocess. Here are withders! on all those questions which we are brought back to again, and again, and again, and again, and again, and again, and again, the man destroy here and the property of the second of the still bot a poor object to be pitted for his ignorance on all those questions which relate to man, to man's destiny here and doms, are not built up by my rules of anything of Salvation Army inestings, and appeach, by this or that theoretical acquaint especially officers meetings, will know how ance with the origin of words, or the far this to true. configuration of the moon, or the number and knots of fishes in the sen,

Such is the Sulvationies; and roch in simest incalculable. It was on with the substancially and greeninearly, as the substancially and greeninearly, as the substancial ray of the subs

Serviction on every paper of Salestion Array officer. Any history. The postry of life is strengly marked in a Salestudin Array officer. Any history on the service of connects like these we are now describing, one at the thinks could be cleared, we see in our pieces experty list rules to the thinks we have a controlled and at times monaterable to the control of the weak that the service of control like the service of connects like the service of control like the service of control is the control of the weak that the service of control is the control of the weak that the service of the thinks of the service of the s written on every page of Salvation Army

and these mm and women, too, that can power. Wherever she goes she will be like a crowd, away an sudience, and hold bailed and recognized as the co-worker blainty as it appeared that the new plasms and the color of the Dock and committee of the Commandant in every simplicity of children before the Lord. Seed work. Whose saye they cannot see poetry here, must have the eyes of their understanding

Wonder l

Another characteristic that marks off another coarsectrate that meres oil the Army and Army meetings, is that which constraine the soil unconsciously to asy. "Wonderful, wonderful," It is the principle of scouder? Oh no! we have not got to that condition—thank Heaven where we sen no wonders, where

we do not see evan in the trivial round of life, cause and reason for the soul to swell with wonder, and love, and praise. his official capacity have pot such on record. Think of it: that ministers, in In the very trifling things of life, and those which are the most commonplace, and like the mow are even sparned undersuch frank and nuispoken manuar express-ed themselves with such evident sincerity foot, there in something sufficient to and kindly feelings toward the Army. graced our proceedings by his presence, and more than this, in simple, Christian, as to view even the leaf of a tree, or the flame of a fire, and least of all, man himand dignified manner guve his emphatic testimony to his lave for the Salvation Army and his admiration for their work. All this is very wonderful indeed.

There is one other little circumstance which we will mention on the same line. and that is the donation, so nnexpectedly, of a check of \$500,00 from Mrs. Cook, an American lady, in connection with the opening of the new Rescue Home. This

Travelling.

The idea of travelling : that is another comp-lied nur loving recognition of the watchfuln sa of our Heavenly Father. Education in Principles | thing that is characteristic of councils. We Here etsials a man who is grounded in travelled a long way in the recent councils. Here stability a name who is grounded in provided a long way in the recent consults, the first principle that grower God's unit werse. He understands on part, sowashed with the people's minds ebent, and disor heaving the way in which God go forms. the world. He sees over ugain, the principles which divide light from darkness, which make heaven, which make betth, the see the make heaven, which make betth, the see the make is the seed of the seed o eginning n/ trisdom.

Such is the Salvationiet; and roch, is slmost incalculable. It was co with spite of the recent difficulties when it with adverse fates, a few months after we find ourselves not only having recovered lost ground, but ahead—far ahead of snything we could once have thought for Such is the gondness of God, and onch too, we will add, is the reward of integrity, the practical application of principles in a

CHRIST

SINNE A Christmas Parallel

The picture on the oppo side was suggested by a thought of Christmastide a was intended for the Christmas CRY, but was crowded out.

There is no long *** needed to show its meaning. can be read on the surface. parallel is between Christ the sinner. Perhaps strictly but a contrast. The Sarastoops from the highest hear to the lowest child of man, s. raises him up out of his sinsu iniquity, and defilement earth, first to peace, righteousness, and hois the blessed hereafter. Chi commenced as the great by clothed in majesty and por He then appears on earth a helpless infant. He is u seen with the doctors at Jen lem; afterwards being bept in Jordau; then in the Gard at Calvary; and finally had conquered death and hell, overcome the power of Prince of the Air and theres accomplished man's salvant returns back to the Fath hosom.

Man, the son of man, is to shown in all the abject mis as a drunken outcast. He very far from heaven in the condition, and not fit for k ven either. In fact he is per for any society at all until is first cleaneed from his purities. The same thing plies to all sinners drunkard then meets with Saviour at the penitent and step by step travels road to the skies till at last chariot comes and takes him to glory He dies like men, except that there is a of joy in his mouth and a the world to come.

It was the Saviour stooped from heaven to card lift up the sinner from sait heaven.

De League of Mercy.

War Cry Office. EDITOR'S NOTES.

A sign of relief I The Christmas of the state of clinary and the state The Bast were in excellent splits, and unanimously accepted the new tactice of which the strength of the stren to be somewhat out of the ordinary run, haps, strictly speaking, the New Year's Cay will come next week. The present Cay might very well he named the Cooncil

> Who was the anonymous writer of tha "Review of the Crys" previous to the present dispensation? All who was it? It is highly entertaining to some parties in note the various conjectures that have been made. So cocksure, tool Africa cama nation to deliver the statement that it was the Editor (Staff-Capt. Read). The Anottalian Cay speaks in the most reassuring manner that Colonol Mackanzie writes op the Cars in the aame fashion as the Review of Review. Other Wax Cars have made other conjectures, and the secret in its process of leaking out is some-what emusing.

A flood, a tornado, a simoom—some-thing higger than all this—what do you call it? That will describe the accumlating of copy that greeted ne when the present Car came to be made up. Tha Editor began to look up to Hasven, and hless his soul, and say some other things that it is not lawful to utter. The fact is we had to take the snew plough, and shovel ahead as much as wa could. Dear contributors !-all in good time.

Among the latest are two contributions of full yeard in measure by the length. One was criminal positry. That was a yeard long. The other was an account out from year or the latest are two for the latest are two for the latest are two forms of the latest are two forms of the latest are two forms forms could officer. EXPERIENCE.

Tunn-Good-bye, old home; or Ella Rhen, re peating last four lines of verse for observa-

- Once I was far away in ain
 And did not love the Lord,
 The pleasures of the world I sought
 And trampled on His blood;
 And trampled on His blood;
 I wandered on from day to day,
 And would not beed that voice
 So awastly calling. Come away
 And make the precious alway.

h, praise the Lord I oh, praise the Lord I Hecause I am tree to-day ; Is took me in and set me free, Thank God, I'm seved to-day I

- The day and hour did come at last When I was tired of sin. My weary heart it sight for rest. For all was said within 1 came to Jesus as I was, With all my sin and pride, I cried, "O Lind, forgive the part, And with me now abide!"

- Ob. prelies the Lord, He took use in, And pardoned all my past. His blood has cleaned my soul from sin And gave me perfect rest; So now I love to de His will, For He is my truest Friend, And H I serve Him fathbrully
- SISTER JULIA CONTATT.
- "TEMPUS FUCIT."
- TURE—And dare to leave it there.
- My time is flying fast,
 My life will soon be der,
 My life will soon be der,
 My enery chance will then be past,
 And God will call no more.
 My eline how shall I fose
 When at the Bar Latand I
 My long neglect of love and grace,
 My slight of His command I
- Then ob, my Lord, prepare
 My soul for that great day;
 Ob, wesh me in Thy precious blood,
 And take my sine away.
- How shall I face the blood.
 That once for me was split?
 How face an oft-rejected God
 What an on oft-rejected God
 What answer shall I give
 To God the Holy Ghost,
 Who warned me of the "wrath to come,"
 And pointed to the Cross?
- How shall I dare to meet
 Those whom I we led in ain?
 How shall I then their curses g
 Or the remorse within?
 Oh, how shall I endure
 To hear that mentence passed

SALVATION.

Tunn-Jerse paid ii all,

m heet peid it all, hoe heet remeased me ; heer, new on Thee I call, b, let me live for Thee I

THE BACKSLIDER.

TURE-The Orces note covers my sine.

For thou hast neglected His mercy, And spurned His pardon so free; But a fill He is looking in pity, And He's waiting and watching for the

Come back to-day to the Saviour. Oh, think of His suffering for thee! Come back to day to thy Saviour, Oh, hear Him He's calling for thee!

When in His footsteps you followed, Your pathway itseemed oh, so bright ! For your serrow had turned into gladness

But then in an hour of temptation.
From His blessed arms you did fise,
Will you come back to day for forgiveness to
the test Him. He's calling for thee !

Death and desiruation is coming. Coming to dreg your soul away; Oh, haste while the Sevicer is calling. Come while it's yet called to-day.

HOLINESS. TURE - We've lived and loved togethe

- say Savieur and I together
 Have many a happy day.
 Through pleasant and stormy weather,
 Yet He leads on His own highway.
 For this is the way up to glory,
 I dave known it for many a day.
 Now I'll story on the old, old thory,
 Up here on this beautiful way.
- My Jesus did load ma hither After I had been born again, Ev its heat I must out the power To brings son's to His feet-amen; And will He keeps loading no higher, And I grow every day more the Him, For to this He warns me to aptire, "Ill restored to His image I am.
- All restored to His image 1 sm.
 The sweet giories I got will Jerus,
 As I mount up this lovely way,
 For His storehouse is over open.
 With tressures more rare each day.
 He gives me both grace and glory.
 No good thing these He keep from me,
 and in bewest it I sing the secutiony.
 He was helves all the way to ma.
 Hawver Hinch, Godetch.

WALKING IN THE LIGHT.

- TORK-Marching on to War.
- I'm glad I am a soldier,
 And in the Amp brave,
 We're moving earth and hose
 The lest to teck and save.
 I love the holy warfare,
 My beart to in the fight,
 And this is why I love it so—
 I'm walking in the light.
- We're walking in the light, We're walking in the light, We're walking in the light, With fig and song we march along, To put our foss to flight. King Jeans is our Captalo, Who leads us in the fight,
- So we go man hing on ward, And keep walking in the light,
- and seep waiting in 150 light.
 The add to think that many.
 God's choleset bleadings mist.
 Through serting self and conserved.
 Is figs of worldliness.
 They do not our for others,
 You think themselves all right,
 Alv., they know not of the Joy.
 Of walking in the Joy.
 H. H. HAWERS.
